Then please consider closing this video and leaving.

THE LUST RESPONSE

This material is for men who understand that women enjoy and desire sex with men who make them feel like sexual, and attractive women

www.BadBoyFormula.com

THE LUST RESPONSE

I'm going to show you
exactly how to make
women **crave you**

THE LUST RESPONSE

I'm going to show
you how to trigger
sexual desire
in women

THE LUST RESPONSE

Basically pushing secret psychological triggers that make them **wet and horny**

THE LUST RESPONSE

Not only am I going to show you
7 words

THE LUST RESPONSE

That, when spoken
to a woman, create
instant sexual desire
& curiosity
(i.e., horniness for you)

THE LUST RESPONSE

I'm **ALSO** going to show you
7 Stealth Attraction Strategies
that you can use to completely
bypass her shields

THE LUST RESPONSE

So that she will open up to you emotionally, give of herself sexually, and please you physically

THE LUST RESPONSE

This is not "pickup artist" material.

These are based on recent scientific discoveries that **create sexual desire** in women.

THE LUST RESPONSE

This is also not a skimpy 10 minute video. We're going to take a little time to go in **DEEP** into each topic.

THE LUST RESPONSE

When you're done, you're going to know more about women than 90% of guys will ever learn.
(Especially married guys.)

THE LUST RESPONSE

We're going to systematically eliminate the risk and embarrassment from meeting, dating, and getting laid

THE LUST RESPONSE

Now - enough talk, let's get started:

THE LUST RESPONSE

First of all, I'm assuming you're using my stealth opener that I gave you in the **How To Get ANY Hot Woman To Talk To You** video

THE LUST RESPONSE

If you're not, you're missing out on meeting women just about everywhere you go.

It's the **Universal Opener** that always works.

THE LUST RESPONSE

And you don't have to act like a douchebag, or be a jerk to **get her interested.**

THE LUST RESPONSE

If you're already meeting women, then your next step is to know how to make women feel sexual in those conversations

www.BadBoyFormula.com

THE LUST RESPONSE

And that's what we're going to do
here

THE LUST RESPONSE

Now we're going to build on what you've got to create the kind of conversation that makes women literally wet for the next time she can be with you.

THE LUST RESPONSE

The basic principle throughout this presentation that you need to understand is this:
SEXUAL TENSION

THE LUST RESPONSE

Without sexual tension in a conversation, you wind up with phone numbers that are either disconnected, or she never answers.

THE LUST RESPONSE

Without sexual tension between you and her, you'll only wind up as "friends only."

THE LUST RESPONSE

It's absolutely guaranteed. Nothing says "I'm staying home and masturbating" more than trying to start a weak, "friendship" conversation with a woman.

THE LUST RESPONSE

You have to follow this formula to
get a woman wanting you
sexually.

www.BadBoyFormula.com

THE LUST RESPONSE

Everything you do should be setup
to work that sexual tension to
unbearable levels:

Sharkfin Soup Example

THE LUST RESPONSE

Most guys defuse this energy because they're uncomfortable with that kind of tension. They start to feel like it's weird and that a rejection is coming.

THE LUST RESPONSE

That's what they're trying to avoid most - rejection. And anything more than a vapid, empty, friendly vibe is a threat of rejection to the wuss.

THE LUST RESPONSE

Remember this:
The Game Of Sex is simple

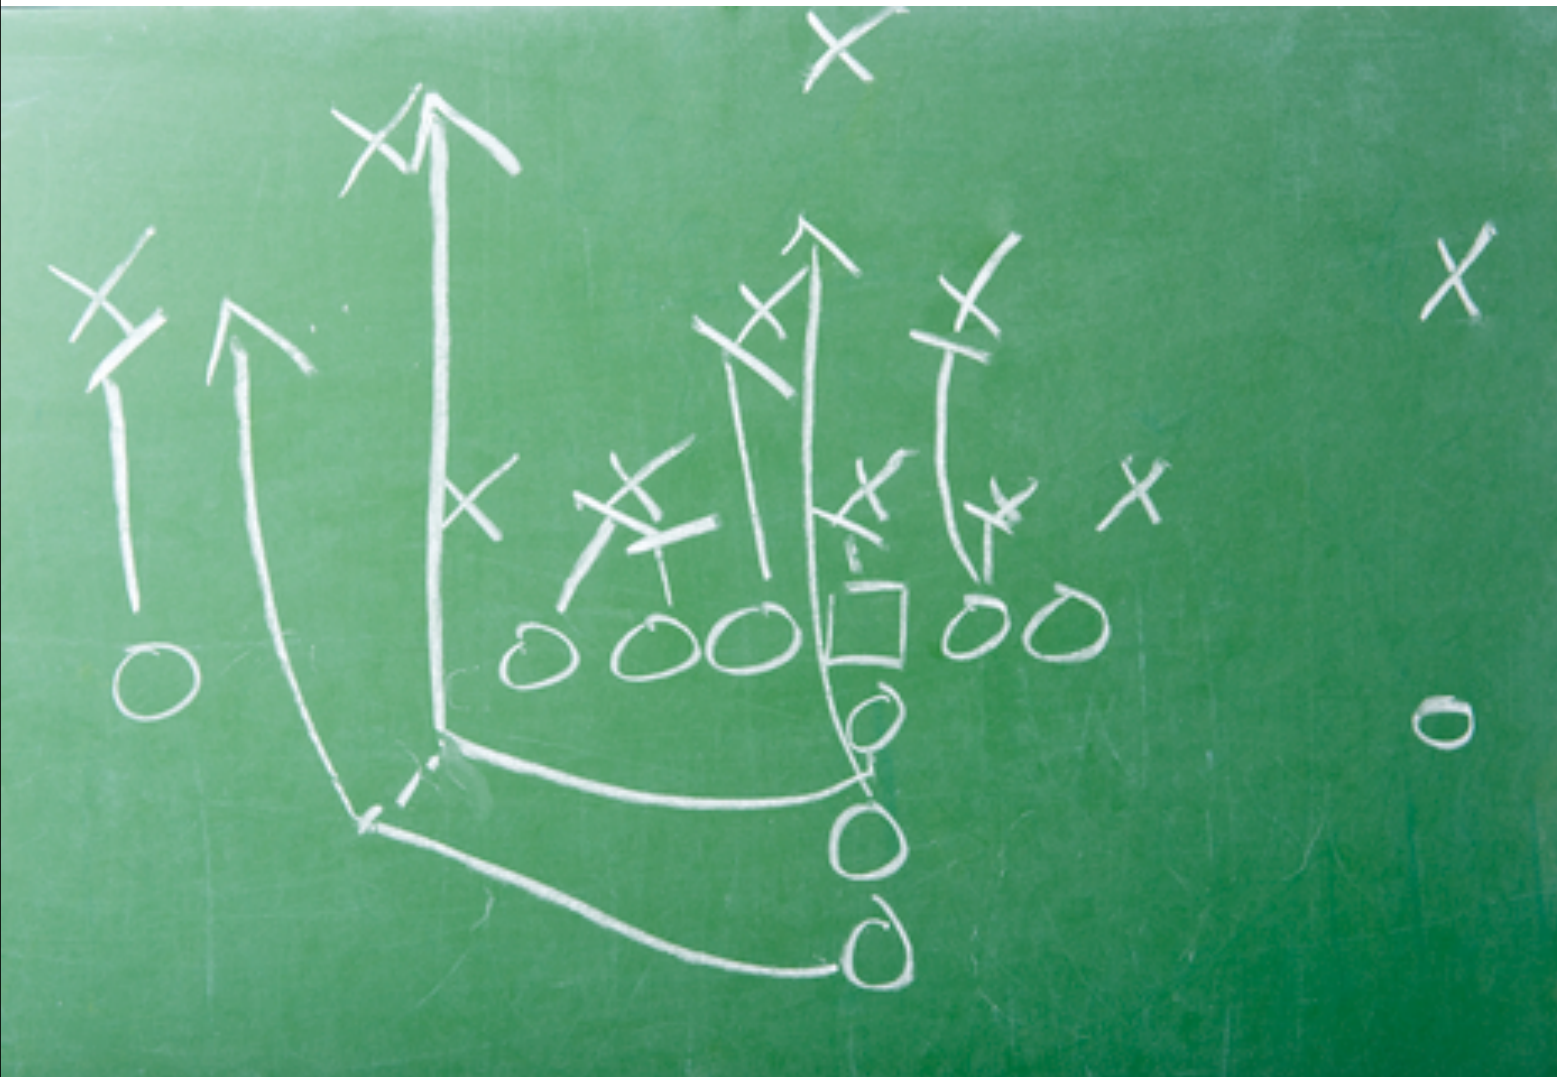

THE LUST RESPONSE

You're trying to get her
into bed

www.BadBoyFormula.com

THE LUST RESPONSE

She knows this, and it's her job to run a counter play to challenge you. Just like a football play

THE LUST RESPONSE

Stop trying to avoid her seeing your desire for sex, and start getting her to see her own desire for sex.

THE LUST RESPONSE

Most guys spend all their time pretending they don't want sex to avoid triggering defenses.

THE LUST RESPONSE

Your goal is to make her feel like a little girl on the playground - getting teased, having fun, thrilling rides on the swings & see-saw

THE LUST RESPONSE

Then you create a sense of connection that makes her feel like what she has with you is special **AND** that it's something she doesn't want to lose. **This is KEY.**

THE LUST RESPONSE

The more invested
she is in you,
**the more she will
fight to fuck you.**

THE LUST RESPONSE

I hate to be crude like that,
but it's **true**

THE LUST RESPONSE

Women have **one over-arching drive** in their lives, and it's to create and maintain the connections she has with people.

THE LUST RESPONSE

Losing connection to her is as painful as dental surgery, and she'll do **ANYTHING** to avoid it.

THE LUST RESPONSE

THIS is the secret truth about women that men can exploit - in an ethical way - to get her hot.

Get you laid

THE LUST RESPONSE

And get her as your
girlfriend - or
whatever you desire

THE LUST RESPONSE

Let's get started with the
first stealth strategy

www.BadBoyFormula.com

THE LUST RESPONSE

**Stealth Attraction Strategy #1:
Establish Authority**

www.BadBoyFormula.com

THE LUST RESPONSE

- ➔ You're the **MAN**
- ➔ Move her physically or command her politely

THE LUST RESPONSE

➔ **Order a drink for her - make a decision for her**

THE LUST RESPONSE

Demonstrate **DOMINANCE**
You are the male of choice.
The Alpha, or the Bad Boy
Women Love

THE LUST RESPONSE

➔ **Take Control** of all situations, but, do not be a dictator or control freak.

THE LUST RESPONSE

➔ **Talk strong and confidently,**
but, without threat. She has to hear
power in your words.

THE LUST RESPONSE

➔ **Leverage social proof whenever possible**

- Other people approving of you
- Images/pictures of you with other people

THE LUST RESPONSE

- People you know, where you go
- The more women that know you, the better

THE LUST RESPONSE

➔ **POWERFUL** male body language

- No fidgeting
- Grounded - breathing
- Slow, steady eye contact
- Relaxed
- Open

THE LUST RESPONSE

There's a type of guy that personifies this body language. I'll tell you more about him later

THE LUST RESPONSE

**Stealth Attraction Strategy #2:
BE SEXUAL - Sexually Suggestive**

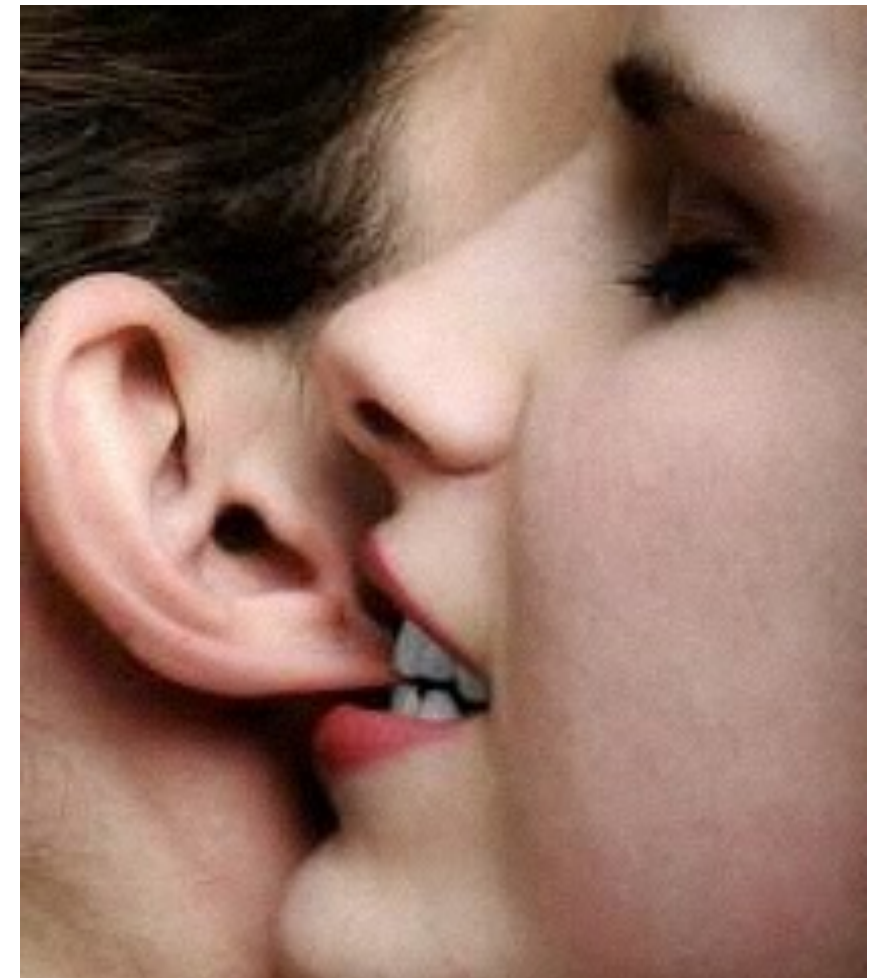

THE LUST RESPONSE

➡ Set expectations: **Sexpectations**

- You're a man, you like to fuck women.
- **NOT** hurt them. Only please them.

THE LUST RESPONSE

➔ **Sensuality** - words create chemistry, and trigger instinctive sexual desire

THE LUST RESPONSE

Inject your conversation with sexuality and comfort with it.

THE LUST RESPONSE

- Not lewdness or perv focus
- It comes from a comfortable respect for the sexual
- hot, desire, feverish, yearning

THE LUST RESPONSE

➔ **STOP** nouning and start verbing

- not "pussy" - instead:
"aching desire"

- not "orgasm" - instead:
"mind-blowing desire"

THE LUST RESPONSE

- Only talk in **FEELING** words around women.

If you can't make her feel, you can't sleep with her.

THE LUST RESPONSE

➔ **Eye contact** is the key to initiating attraction, **START** with it.

THE LUST RESPONSE

"Accidentally" reveal your
sexual prowess

"My last relationship was too much
about sex - hours in bed on
weekends..."

THE LUST RESPONSE

➔ Project the identity upon her that you want her to adopt:
Sexual Bad Girl

- Are you spontaneous?
- Are you adventurous?
- Are you fun?

THE LUST RESPONSE

➔ Use texting to awaken her **Lust Response**

THE LUST RESPONSE

- You know what I'm thinking about right now? You'll find out later...

THE LUST RESPONSE

- You're naughty... I can't be around you
- Stop thinking about me, I can't get any work done..

THE LUST RESPONSE

- If you were here right now, what would you do to me
- Stop drooling, you'll see me again soon

THE LUST RESPONSE

- Use it to start a **fantasy**

Where is the most romantic spot in the world? Imagine... (anything)

THE LUST RESPONSE

I'll also show you how to get more of these texts that I use later on...

THE LUST RESPONSE

**Stealth Attraction Strategy #3:
FRAME - Flip the Frame**

THE LUST RESPONSE

➔ Understand women

- The 80/20 (95/5)
- Hot women are attention whores
- Hot women don't need your attention, average woman will **beg for it.**

THE LUST RESPONSE

➔ **Chick Psychology 101**

Financial security is nice, but
women really want
EMOTIONAL security more
than anything

THE LUST RESPONSE

- She needs to feel loved. Even things are going great, she likely has a fundamental insecurity about your love

THE LUST RESPONSE

And when that insecurity is triggered, she may respond in ways that confuse or upset you until she feels reassured. Less of an issue in the early stages.

THE LUST RESPONSE

- **Women are emotional.** Women deal with multiple thoughts and emotions from their past and present all the time, at the same time— and these can't be easily dismissed.

THE LUST RESPONSE

- MYTH: She's impossible to figure out. There is usually a logical reason behind her baffling words or actions and behavior that confuses or frustrates you often signals a need she is asking you to meet.

THE LUST RESPONSE

- **Women want security**— in other words, financial security. Your woman needs emotional security and closeness with you so much that she will endure financial insecurity to get it.

THE LUST RESPONSE

- **She doesn't want you to fix it; she just wants you to listen.**

When she is sharing an emotional problem, her feelings and her desire to be heard are much more important than the problem itself.

THE LUST RESPONSE

- She doesn't want sex much, which means she must not want me. Physically, women tend to crave sex less often than men do—and it is usually not related to your desirability.

THE LUST RESPONSE

- She wants to look attractive.

Inside your smart, secure woman lives a little girl who deeply needs to know that you find her beautiful—and that you only have eyes for her.

THE LUST RESPONSE

- Buried inside most women, even those in great relationships— is a latent insecurity about whether their man really loves them and even whether they are truly lovable.

THE LUST RESPONSE

She needs to know "Are we okay?"
about **70%** of the time

THE LUST RESPONSE

- ➔ Women have **dirty fantasies** that she can only play out with a total stranger - making same night sex **VERY** likely **IF** you know what you're doing.
- ➔ - The key is she needs you to **create the opportunity**

THE LUST RESPONSE

➔ Make everything her fault - in a playful, non-guilty way

THE LUST RESPONSE

- ➔ She's hitting on you. She's seducing you
- Turn all conversation around into "How is she trying to sleep with me right now?"
 - "You're such a bad girl... I like that about you."

THE LUST RESPONSE

➔ You're qualifying her.
She's never a **YES**, only a
maybe

- She must always be
working to get **YOUR**
approval - **INVESTING**

THE LUST RESPONSE

- **The more she invests, the less likely she will be to leave.**
- **The more she chases, the less likely she can ever escape.**

THE LUST RESPONSE

"Are you nervous?"

THE LUST RESPONSE

- ➔ You have to give her **PERMISSION** to do what she wants to do
- Women and society - perception of being a slut.

THE LUST RESPONSE

- **Give her a safe zone** where she's free of judgment and embarrassment and risk.
- **Inoculate:** "Women have it so tough. Even though you're liberated, you still can't show your sexual nature."

THE LUST RESPONSE

- ➔ Give her *plausible deniability*
 - Set it up and then, use it later

THE LUST RESPONSE

- "Hey, come on back to my place and we can watch that video I was telling you about..."
- It's the veil of "It wasn't my fault. *I* didn't make sex happen."

THE LUST RESPONSE

**Stealth Attraction Strategy #4:
SENSORY - Sensory Seduction**

THE LUST RESPONSE

Get her thinking about sex
through **sensual words**

THE LUST RESPONSE

➔ Use "Reason Why" to go there

- Talk about someone else's conversation you overheard

- "So tell me about your hottest sexual fantasy..."

THE LUST RESPONSE

➡ Get her to recount her hottest sexual experience

- When a woman recalls memories, she's reliving them and going back to that state

THE LUST RESPONSE

➔ Talk about things in sexual terms

THE LUST RESPONSE

**Engage her emotions on all
levels**

THE LUST RESPONSE

- Vocal tone - sensual, deep, resonant
- Vocal pacing - Slow, pausing
- NLP - Listen for her use of auditory, visual, kinesthetic terms

THE LUST RESPONSE

Here are the **First 7 Words That
Make Her Crave You:**

THE LUST RESPONSE

"What does it feel like when you..."

THE LUST RESPONSE

➔ "What's your favorite place to be kissed, other than your lips?"

THE LUST RESPONSE

- **Draw out the feelings:** "What's it like for you when..."
- Use that whenever you see her light up, or she tells you about a positive experience

THE LUST RESPONSE

➔ Don't talk about tangibles/facts unless they lead to emotions and feelings

THE LUST RESPONSE

Men = Data, statistics

THE LUST RESPONSE

**Women = Feelings,
sensations**

THE LUST RESPONSE

I'll give you another bonus 7 words
before we're done here

THE LUST RESPONSE

**Stealth Attraction Strategy #5:
PHYSICALITY - Close Encounters**

THE LUST RESPONSE

➔ The longer she talks to you, and the more attention she gives, the more you turn to face her

THE LUST RESPONSE

- The more you approve, the more you let her in
- **YOU** are qualifying!

THE LUST RESPONSE

➔ Use proximity and touch to draw her in and push her away

THE LUST RESPONSE

- ➔ You need to be near her (proximity factor in creating emotions)
- ➔ She has to see your vulnerability - this tells her that she could get close to the elusive male heart

THE LUST RESPONSE

➔ **The Ass Smack** - You can smack the side of her leg to be less "forward". This turns women on

THE LUST RESPONSE

➔ The hair grab -
pull the fine hairs at
the nape of her
neck

THE LUST RESPONSE

➔ Whisper a secret in her ear to gauge her comfort level physically.
The kiss test

THE LUST RESPONSE

➔ Move in and out of range -
strafing runs to test acceptance

THE LUST RESPONSE

**Stealth Attraction Strategy #6:
BALANCE - Challenge & Pursuit**

THE LUST RESPONSE

➡ **Confident Vulnerability**

➡- If she doesn't think she's seeing the real you, she will not trust you enough to sleep with you

THE LUST RESPONSE

- Reveal something potentially damaging
- in a good way
- "I've got a soft spot" - Be reluctant to divulge
- "My favorite chick flick is 'Titanic.' Don't tell anyone - it's our little secret."

THE LUST RESPONSE

➡ Don't be the hard to get guy all the time.

➡ Women don't want **YOU** - they want the imaginary feeling of adoration you would bring to her.

THE LUST RESPONSE

We don't fall in love with the person - we fall in love with the feelings we get around them

THE LUST RESPONSE

Denial - "Don't try anything"

THE LUST RESPONSE

- "We will **NOT** be having a sleepover tonight, I've got a work meeting in the morning."
- "Seriously, you gotta stop trying to turn me on."

THE LUST RESPONSE

➔ **PURSUIT** - Here's where most guys get this formula **WRONG**.
Dead Wrong.

THE LUST RESPONSE

If you're not showing her that you would give her the attention and chase that she desires, nothing else will work.

THE LUST RESPONSE

- She has to believe on some level that you would be able to satisfy this desire.

MORE importantly - you get her to invest enough in you to make it happen - more in the next session

THE LUST RESPONSE

Use **Callback humor**
"Hey, my naughty nurse..."

THE LUST RESPONSE

"Make sure you don't think about reviewing applications in the nude..."

THE LUST RESPONSE

"Don't think about..."
is a ninja trick!

THE LUST RESPONSE

➔ **Three things I like about you:**

Create #1 and #2 that are insightful, flattering, and have nothing to do with her appearance
(Read her personality)

#3: I can't tell you what it is, because if I do, you might stop doing it

THE LUST RESPONSE

"I never meet girls like you"

Make her unique and special.

THE LUST RESPONSE

**Stealth Attraction Strategy #7:
PLAN - Constant Escalation &
Progression**

THE LUST RESPONSE

You have to be on a methodical path to **get her into bed.**

www.BadBoyFormula.com

THE LUST RESPONSE

To get to the bedroom with her, so she's pulling off her panties and begging you to bang her, you need to keep up each of these steps

THE LUST RESPONSE

**KEEP
CALM
AND
PUSH
FORWARD**

**Keep it moving
forward every single
time you're with her**

THE LUST RESPONSE

If sex takes longer than 3 dates,
you're not moving it fast enough
and amping it up enough.

THE LUST RESPONSE

You don't actually have to have sex,
but you have to know she **WOULD**.

THE LUST RESPONSE

My Kiwi Story

THE LUST RESPONSE

If you let off the heat from cooking food, or you stop pedaling on a hill, or you let off the gas in your car, what happens?

THE LUST RESPONSE

It all slows to a halt -
fast. This is the nature
of **ENERGY**.

You cannot let slack
into the rope in
push/pull.

THE LUST RESPONSE

Bring in **jealousy** - Mention other women, non-sexually. Just mention them.

THE LUST RESPONSE

You can **NEVER** stop being a challenge to her if you want to keep her interest.

THE LUST RESPONSE

Women naturally fear distance, and will create distance to have you prove your feelings.

THE LUST RESPONSE

Always be leading her forward.
Don't be a control freak, but don't let
her think that you don't know
exactly what's going to happen
next.

THE LUST RESPONSE

Okay, now for a **bonus 7 words**
that make her crave you:

*"Our first kiss is gonna be
incredible..."*

THE LUST RESPONSE

This sets up a bunch of
psychology...

THE LUST RESPONSE

First - that you're going to kiss. She'll probably want to challenge you back on this, but don't reply or feed into that loop.

THE LUST RESPONSE

When a woman challenges your challenge, you can't give that loop any energy.

THE LUST RESPONSE

- **Second**, it sets up anticipation.
- **Third**, it assumes that you and her together is a foregone conclusion.

THE LUST RESPONSE

Okay, so I've just given you dozens
and dozens of lethally effective
Stealth Attraction Strategies

THE LUST RESPONSE

These slip in under her radar, and are virtually undetectable. You can **NEVER** get caught!

THE LUST RESPONSE

Earlier, I mentioned to you that there is a special kind of guy that can say almost **ANYTHING** to a woman and get away with it

THE LUST RESPONSE

He's the kind of guy that **women desire** more than any other kind of guy.

THE LUST RESPONSE

In fact, this kind of guy can make almost any woman **OBSESSED** with having him - to the point of almost stalking him.

THE LUST RESPONSE

And the hotter the woman, the easier it is to turn her into a wild sexual animal that will do almost anything to please you.

THE LUST RESPONSE

Exhausting and *slow*...

But I can get you
